

## A457 Route 87 Route Improvements

Sandwell Metropolitan Borough Council is developing proposals for improvements at three junctions in Smethwick in conjunction with the major A457 Route 87 Route Improvement Scheme. The purpose of this is to address specific areas of congestion, look at measures to improve bus travel and improve safety

Your input is valuable and your views on the ideas proposed are invited. Having reviewed the proposals, either via the website: [www.a457route87.co.uk](http://www.a457route87.co.uk), or the newsletter, we would be grateful if you could complete this questionnaire to tell us what you think.
